Job Title: Trainee – Production / Quality Control (QC)

Company: Indechemi Pvt. Ltd.
📍 **Location:** Himachal (Baddi)
Employment Type: Full-Time (Under NAPS – National Apprenticeship Promotion Scheme)

About Indechemi Pvt. Ltd.

Indechemi Pvt. Ltd. is a leading pharmaceutical organization specializing in high-quality drug manufacturing and quality assurance. The company is committed to providing hands-on training and skill development opportunities for fresh graduates and diploma holders to prepare them for a successful career in the pharmaceutical industry.

Position Overview

Indechemi Pvt. Ltd. is seeking motivated **B.Pharma / D.Pharma students** for **Production and Quality Control (QC)** roles under the **NAPS program**. This apprenticeship provides practical exposure to pharmaceutical manufacturing processes, quality testing, and regulatory compliance.

Eligibility / Qualification

- **B.Pharma / D.Pharma graduates** (freshers or recent pass-outs)
- Strong interest in pharmaceutical production or quality control
- Basic understanding of GMP, lab safety, and production operations

---

Key Responsibilities

Production Department:

- Assist in daily manufacturing operations and batch production
- Monitor equipment and processes for efficiency and compliance
- Ensure adherence to SOPs, safety, and GMP standards

Quality Control (QC) Department:

- Assist in testing raw materials, in-process samples, and finished products
- Record, analyze, and report laboratory data accurately
- Support QC team in maintaining documentation and compliance

---

Stipend & Benefits

💰 **Monthly Stipend:** ₹15,000/- (as per NAPS guidelines)
📄 **Training Duration:** 12 months (extendable based on performance)
🎓 **Certification:** Apprenticeship Completion Certificate (under NAPS)

Desired Skills & Attributes

- Keen interest in pharmaceutical production and laboratory practices
- Attention to detail and ability to follow SOPs
- Good communication and teamwork skills
- Willingness to learn and adapt to industrial work environment

---

Why Join Indechemi?

- Hands-on exposure to pharmaceutical production and QC processes
- Mentorship and guidance from industry experts
- Skill development and certification under NAPS program
- Opportunity for future employment based on performance
